

Dear Students,

Good evening! It's time for **Y21 & Y22 Cyber Security Specialization** students to get your Certified Ethical Hacker C|EH v12 training that will teach you the latest commercial-grade hacking tools, techniques, and methodologies used by hackers and information security professionals to lawfully hack an organization.

The training is planned in the skill week from 9th September as per the Academic Calendar. A reasonable training fee of **Rs.16377/-** is offered by EC-Council as we are one of the Academic partners. Interested students can make your payments using the attached QR code and the last date to make the above payment for C|EHv12 Program **on or before 3rd September, 2024**.
